■ Beautifully designed, combining the rich color and detail of fine tapestry with the softness of 100% cotton, ultraweave coverlets from Mill Street Design are heirloom quality keepsakes for today's generation.

■ All Mill Street Design coverlets measure approximately 48x60 inches. They are fringed on all four sides, machine washable and woven in the United States.

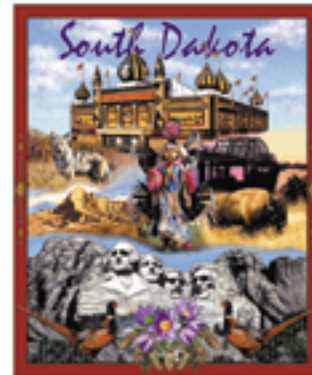

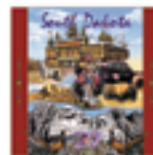

■ Tapestry products have been created to coordinate with select Mill Street Design coverlets.

■ Orders can be phoned in, faxed in, or e-mailed to: orders@millstreetdesign.com
