

**ONE WEEK DESIGN OPTION**

All Mill Street Design coverlets are custom created to meet your specific expectations. Designs usually take three to four weeks to produce. Now we can offer a special option for schools that gets your art to you in **ONE WEEK**. Our Quick & Easy Program is a hassle-free way to create a coverlet which captures the unique spirit of your school. Simply choose one of our standard layouts and we'll add your customized art. Choose a design featuring a single image (your school mascot or crest) or as many as 12 school activity icons. Indicate your design preferences below and send us a clear image for the center. These designs are available in either 2 or 2.5 layer versions. Choose from the options below, and you'll receive a printout of your coverlet design **ONE WEEK** after we receive these pages and your \$300 deposit.
